Chapter 1 by Trouble_maker_number_1

I am Hailey and my life has been hard. I have been bullied since second grade and my parents got devorced when I was in third grade. I have been in and out of therapy since kindergarten. right now I am currently out of therapy and am doing a lot better.

My mom is engaged and she is reall happy. At first I didn't agree with it but over time it got better. My dad recently got engaged and she is an amazing step mom. When I first found out my dad had a girlfriend I was devastated. I thought he would not love us anymore and it was not going to be just my sisters brother him and I anymore. Then I found out that she had three kids and one was my age. My stepmom and I even have the same birthday.

Two of my step moms kids are nice but one of them was reall mean to me and we hated each other. I was so glad when she moved out. I recently found out that she is coming back and I was so mad when I found out. I will never forgive her for hitting me pulling my hair and calling me names.

Let's talk about something That is happier in my life. I love school exspecaily math. I play soccer and I am in orchestra. I am so glad I have the friends that I have or else I wouldn't be where I am in my life now. My friends and family have given me so much hope. I just wanted to say that if you are going through a hard time please don't ever give up. Always have hope and believe that life gets better.

I am Alahna and my life..well...let's say it hasn't been easy. When I was five I got put into foster care because my real mom did drugs and drank too much alcohol. I'm now in my fourth foster home, and I'm probably getting adopted here. I used to be able to have visits with my real mom, but I can't anymore. My real dad had the chance to say he would take me in, but he chose not to. The only real family I can see are my siblings.

I have been bullied for my short hair and I get depressed a lot I am diagnosed with major depression and sometimes it get really bad

But I'm also glad I have friends and I want to say thanks to hailey shae Jordan and a lot of other people because they have kept me going when I was sad and I would be nowhere without them.

Chapter 3 by Ichigo

I am Auden. One way to describe my life is annoying. Annoying as in, sisters, friendships, moving every 4 weeks, and all the other things that like to interfere with my perfectly okay life.

Yes, I have a sister. She's older than me, tougher than me, and way more annoying than I am...or for matters, will ever be. Her name, I don't want to say. But in all other words, she makes my life worse than it already is. I am not really related to her because she is my foster sister. I have no family really. My birth parents died in a fire and now I am here...FOR THE REST OF MY FREAKIN' LIFE.

In some ways, I hate my foster family. They are rich. They are a pain in my butt, honestly. But, I would not want to live on the streets, so I am somewhat grateful for their hospitality. Anyway, I bear to see how I am still surviving. My foster dad is rich. Works for this huge international company. He is the assistant manager, which means that he travels a lot. So that leads into moving every 4 weeks, if not that, 2 months. My sister says to stay invisible because any friends I make won't exist in a bit. So I do. Stay invisible. But I have my friends.

I do have a confession to make and I am glad my friends are here for me. Because without them, I would probably not be alive. I suffer from severe anxiety. And am diagnosed with it too. I get
